Albemarle, NC 28001

Public Utilities Department

The All Electric (AE) utility rate is the lowest residential rate available. Residential electric customers whose washer, dryer, range (stove), dish washer, water heater, and heating system are all powered only by electricity are eligible. A heat pump with auxiliary gas and gas logs are acceptable as long as they are supplemental, not the main sources of heat.

Call 704-984-9605 today to schedule a home visit and activate your new low electric rate!
