### TO: All Residents of Albemarle

We use the zones on the map below and the corresponding days of collection on the calendar. **Please do not mix leaves with limbs, sticks, brush and other debris as this will result in delays. This should help us to maintain our schedule better and enhance the service provided to the citizens of Albemarle.**

**Please clip out this map and keep it for future reference. A map will also be available on the city website at [www.albemarlenc.gov](http://www.albemarlenc.gov)**

Please have leaves ready on your pickup day. We cannot wait for you to rake, or come back to the same street until your next scheduled day, so please have all your leaves to the curb by the morning of pickup. **DO NOT MIX YARD WASTE WITH LEAVES.**

## LEAF COLLECTION

- Leaves will be collected year-round if placed in bags weighing no more than 50 pounds.
- Loose leaves will be collected during the period of October 21 - March 31. During this period, leaves should be raked to the curb prior to 7:00 AM on the advertised collection day.
- Loose leaves should not be mixed with other yard wastes.
- Rocks, bricks, etc., should never be placed in loose leaves.
